2012 George A. Jeffrey NanoExplorers
Supplemental Questionnaire

1. Name (Last, First):

2. Address:

3. What will your age be on June 1, 2012?

4. Email (all correspondence will be in the form of email):

5. Phone number at which your mentor may contact you:

6. Have you in a prior year either applied to or participated in the George A. Jeffrey NanoExplorers Program?

7. What school are you currently attending?

8. What is the highest grade you have completed?

9. What science and mathematics courses have you completed to date?

10. Have you ever worked in a laboratory before? If so, where and when?
11. Do you have any specific interests, i.e. biology, physics, chemistry, etc.?

12. How much time can you commit to this program? (Note: See the Frequently Asked Questions page. Students who commit less than 20 hours per week will generally not receive consideration for acceptance.)

13. Please provide a “rough” schedule of when you are available to work in the laboratory, for example, Monday 10:00 a.m. to 3:00 p.m.:

14. Are you planning to be away for an extended period of time (vacation, etc.) during the program? If so when and for how long? (Note: See the Frequently Asked Questions page. Due to laboratory and safety training, all participating students are required to be present at the beginning of the program.)

15. Are you planning on using the research performed at the NanoTech Institute to compete for scholarships and/or enter science fairs and competitions?

16. Scientists at the NanoTech Institute participate in a variety of outreach programs in conjunction with local area libraries and museums during the summer months and throughout the school year (NanoDays, Meet a Teen Scientist, Engineering Week, etc.). Are you interested in volunteering for these programs.
17. Please use this page to tell us about yourself, your interests, and why you want to participate in the program.
